AbilityNet TechShare Pro

AbilityNet TECHSHARE PRO 2026

Founded in 2017, TechShare Pro is supported by brands such as **Barclays, Google, HSBC, Meta, Microsoft and Sony**, and recognised as **Europe's leading conference for digital accessibility and disability inclusion.**

The conference brings together digital leaders, technologists, accessibility specialists, designers, product managers and disability advocates from across the public, private and third sectors.

With an amazing range of speakers, panellists and attendees, TechShare Pro offers sponsors unrivalled opportunities to connect with decision-makers and influencers from UK, Europe, US, Africa, Asia and Australia.
